STUDY SPACES DURING FINALS WEEK

There are various spaces available around campus to study, prepare for exams, or participate in online classes. Check out the list put together by the Office of the Registrar here, and remember to follow social distancing. "

CAREER SERVICES

Summer terms are great opportunities to organize beyond academics. As your resume, job search tips, be on the lookout for opportunities. Whether you are planning to graduate school or a job, keep your career on the path to success. Keep an eye on the Career Center website for more information, including individual and group counseling sessions.

COUNSELING CENTER

The Counseling Center at the University of Illinois at Urbana-Champaign has not only helped many students find and apply for scholarships, but has also prepared them for their future and provided a support system. Keep an eye on the Counseling Center website for more information, including individual and group counseling sessions. 

For more information, please visit the Department of Anthropology website: www.anthropology.uiuc.edu

Illinois Anthropology How is your finals week going?

You will have a few days, but summer is around the corner. Whether you are graduating or staying, we wish that you have a lot of fun this summer. Remember: You're not alone in this, so take some time to enjoy these last few days. Summer is full of exciting opportunities at the University of Illinois. Remember that your interests are unique and that you are the only one who can decide what path you want to take. Place yourself in the experiences you want to pursue. Summer is a great opportunity to explore your interests. Remember that it's not too late to make changes. Summer is full of exciting opportunities at the University of Illinois.
